**Accessing the GI Online Application Guide**

**Step 1:** Use this link if it is your FIRST TIME accessing the Customer Learning Center:  [Customer Learning Center](#)  
(If you already have an account, use the standard sign-on to access your account and skip to Step 3)

**Step 2:** Create a Learning Center account
Step 3: Access the Generator Interconnection Online Application Guide by clicking on the Transmission & Generation Planning and Resource Adequacy icon, or click the direct link in the “Reminders and Announcements” box.

Step 4: Questions or Feedback? Having trouble accessing the Customer Learning Center? Contact Debbie Baldwin (dbaldwin@misoenergy.org /317-249-5854).
