Level 100 – NITS Training Guide
NITS Application Detail
IMPORTANT: The notes provide additional information and detail. Look for this symbol in the upper left hand corner to view the notes for each slide (if any). If there isn’t a symbol, there are no additional notes. Hover over the symbol, and the notes will appear. Right Click on the icon and select “Open all Pop Ups” to open all the notes in the presentation. You can make the notes section larger or move it by clicking and dragging your cursor.

The Table of Contents is interactive. Click on any blue highlighted link to go directly to that section. Use the Home button (described below) to return to the Table of Contents.

Click the “Home” button to be taken back to the Table of Contents from anywhere in the presentation. You’ll find this symbol at the bottom of the page in the center.
Table of Contents

Clicking on a link will take you directly to that section.

The NITS Menu

- Access NITS under the Transactions tab in the NITS section.
- The Application Summary will be your primary display.
  - NITS csv templates must be uploaded from the “Upload NITS CSV” display.
Finding Your NITS Application Ref

- Each network customer will have one CONFIRMED NITS Application.
- Navigate to the “Application Summary” page.
- Apply the following filters:
  - Provider = MISO
  - Customer = Your NERC ID
  - Time = Update ALL
Viewing Your NITS Application

- Click your Application Ref to open your Application.
- Only the “NITS Application Detail” tab will be used.
- Data consists of Load, Generation, and Resource records.
NITS Request Summary

• Click Request Summary in the NITS menu to view requests.

• Each request receives a unique Aref

• Shows all NITS request of any type.

• Filter options are restricted to common fields for all request types.
Monitoring NITS Requests

- Use the NITS Request Summary to monitor the status of new NITS requests
- Action buttons will be available via icons on the top right
- Be aware of statuses and action icons at the top right of screens. Hover mouse over icon to view name of action icon
View DNR

- To view total designated capacity select “DNR List” from the Transactions tab->NITS menu.
- Select Server Filter Options to query.
DNR List - Server Filter Options

- Specify either your Appl Ref Number or Customer Code
- It is recommended you use Time settings of Active and Today Forward
- Once Applied, options will remain for future query.

![Filtering Options]

- Provider: MISO  
  Resource:  
  Gen Name:  
  Appl Ref:  
  POR: ALL  
  Affiliate: ALL  
  Time: Active  
  Today Forward  
  Source: ALL  
  Reset Client Filters:  
  Date Range: 08/08/2017 to 01/01/3000
DNR Display

- Displays total net value for each resource.
  - Sum of all Designations and Terminations
  - Using in column filtering can further filter your request. (Setting is under Misc-&gt;Display Preferences)
View Scheduling Rights

- To view a summary of Scheduling Rights select “Scheduling Rights List” from the Transactions Tab->NITS menu.

- Select Server Filter Options to query.
Scheduling Rights - Server Filter Options

- Specify your Customer Code
- It is recommended you use Time settings of Active and Today Forward
- Once Applied, options will remain for future query.
Scheduling Rights Display

- Displays all SRs for each resource.
- Does not display net value
- Using in column filtering can further filter your request.
