<https://www.misoenergy.org/events/mtep-futures-workshop---november-14-2019/>

Previous Workshops

- Workshop #1 -- August 15**
 Focused on futures education and current practices
 Reviewed data indicating industry projections are already outpacing the MTEP
<https://www.misoenergy.org/events/mtep-futures-workshop---august-15-2019/>
- Workshop #2 -- September 26**
 Transitioned from futures education to process improvements / retooling – engaged discussions
<https://www.misoenergy.org/events/mtep-futures-workshop---september-26-2019/>

Purpose / Objective

- Transitioning from Futures education to process improvements / retooling
- Walk through the initial strawman proposal
- Engage everyone in open discussions on the strawman
- Listen & gain insights from today's discussions regarding the initial strawman proposal

Initial Strawman Proposal

We will be walking through the Strawman document posted with today's meeting materials.

Feedback Request

- MISO is requesting feedback on the initial strawman proposal that was discussed during the October 17th MTEP Futures Workshop.
- **Feedback due Friday, November 1st or 8th, 2019***
- All feedback requests are posted to the Stakeholder Feedback Page and stakeholder comments are submitted through the feedback tool:
<https://www.misoenergy.org/stakeholder-engagement/stakeholder-feedback>
