

Monthly Operations Report Annual Review

Market Subcommittee

February 20, 2025

Purpose & Key Takeaways

Purpose: Initiate stakeholder review process on Monthly Operations Report

Key Takeaways:

- MISO's Monthly Operations Report contains information on MISO markets and operations performance and outcomes
- The report is reviewed and enhanced annually to better reflect the rapidly changing energy landscape, processes, and tools
- A formal request for stakeholder feedback on potential changes is due by March 7, 2025

The Monthly Operations Report has provided an overall state of MISO's monthly markets and operations performance and outcomes for many years

Approximately 60 slides concentrating on 8 main categories

Pricing

Settlements

Load

Unit
Commitment

Generation

Reliability

Transmission
Planning

Customer
Service

Posted
monthly

Leveraged in multiple stakeholder engagements

Market Subcommittee
(MSC)

Reliability Subcommittee

Board of Directors
(MC BOD)

Reliable Operations
Working Group
(ROWG)

The monthly operations report currently highlights performance and outcomes under eight categories

Pricing

- DA & RT LMPs
- DA & RT ASM MCPs
- Price Duration Curves

Settlements

- RSG
- PVMWP & DAMAP
- MFE STI

Load

- RT Load & Temperature
- Load Forecast
- Regional load

Unit Commitment

- UCE STI
- Offered Capacity & Obligation

Generation

- Fuel mix
- Outages
- Renewables

Reliability

- CPS1
- Transmission Outages

Transmission Planning

- TSR & SSR

Customer Service

- Disputes
- Case Management

MISO reviews report content, calculates metric thresholds, and seeks input from stakeholders each year

Solicit stakeholder feedback on report function, structure, and content

Internal MISO Feedback Review & new year threshold criteria calculation

Update stakeholders of recommended changes

Incorporate changes into the report

The focus of the annual review will be on targeted, value-add information, streamlined processes, and effective communication to provide continued value to MISO stakeholders

Relevance

Does this include the right content?

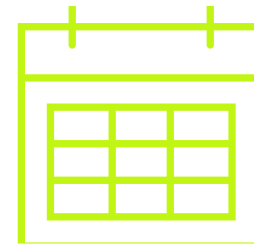

Purpose

Is this meaningful; valuable?

Usability

Is this the correct format and structure?

Granularity

Is this the correct level of detail?

Timeliness

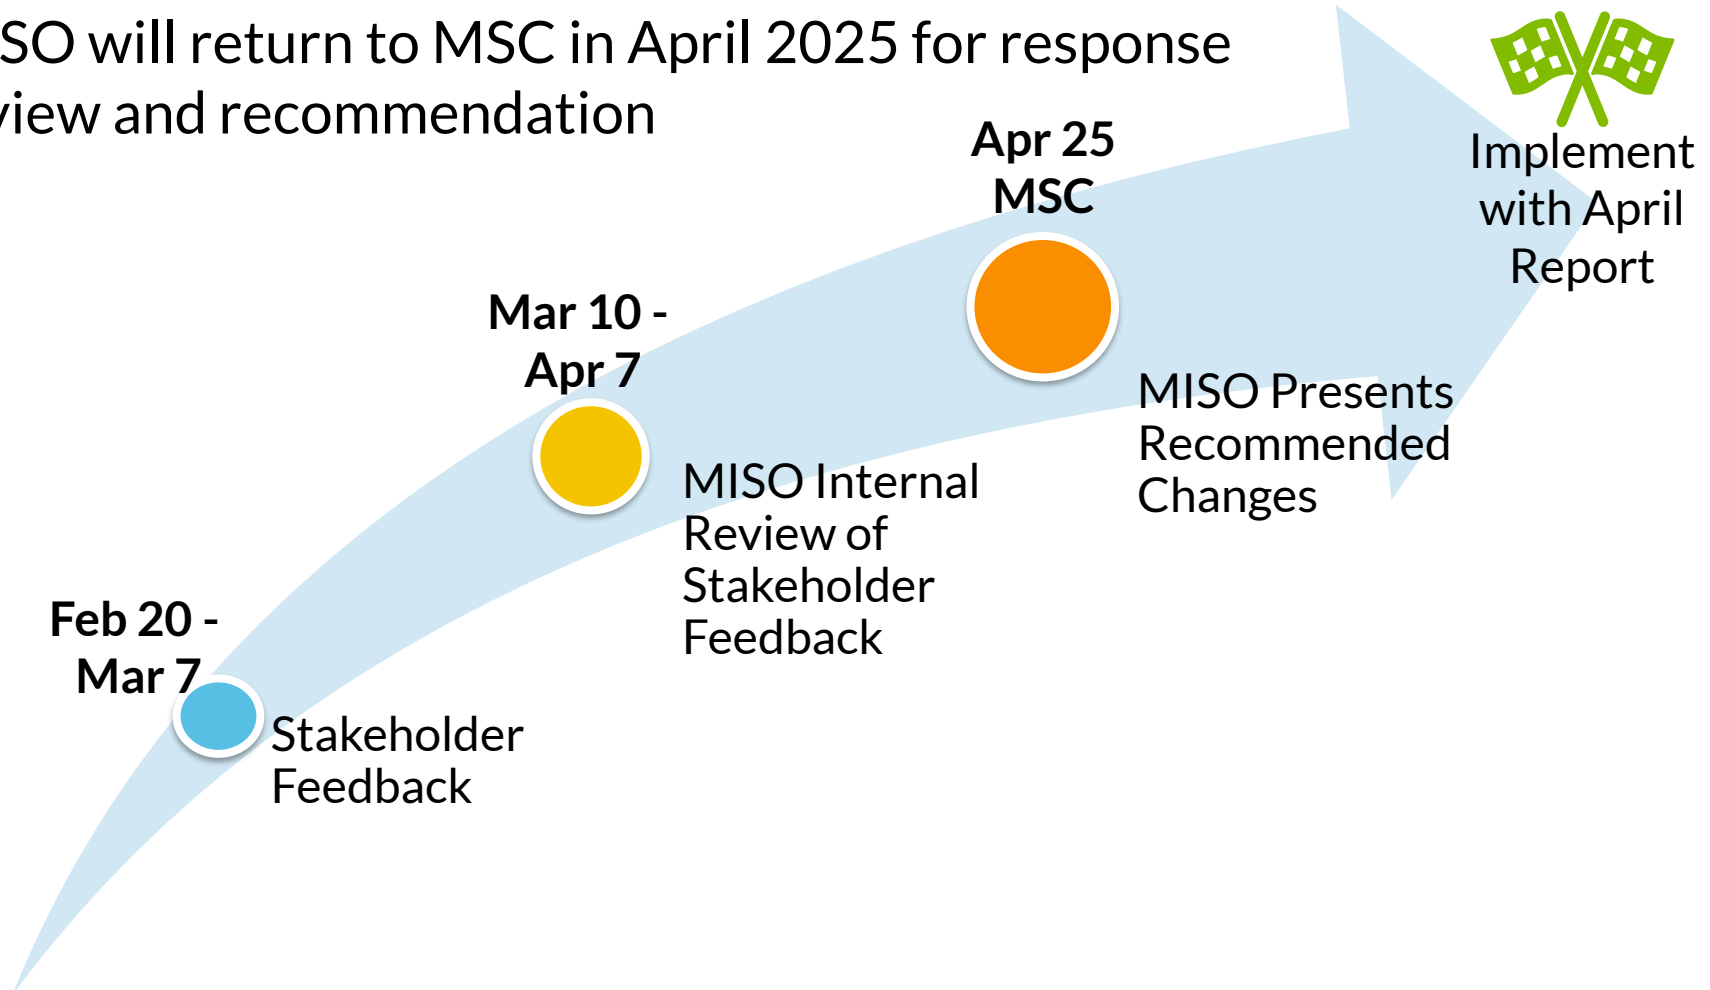

Is this delivered in a timely manner?

Stakeholder Feedback Request

- Please review and submit feedback on the value, format, and content of MISO's **Monthly Operations Report** in reporting and communicating market and operations performance
- Please provide feedback by March 7, 2025
- Feedback requests and responses are managed through the Feedback Tool on the MISO website:
 - <https://www.misoenergy.org/engage/stakeholder-feedback/>

Next Steps & Timeline

- Enter feedback through the Feedback Tool by March 7, 2025
- MISO will return to MSC in April 2025 for response review and recommendation
